Product Description

Apex Series 52" Kawasaki

The APEX powers through the toughest mowing environments with the strength of professional engineering and the comfort you expect from an Ariens. As a residential zero turn, the APEX is in a class by itself with intuitive controls for precision performance.

Features may include:

Full Tubular Frame

The fully tubular steel frame rails are strong and more resistant to stresses to support loads of the machine with unprecedented strength and stability.

Commercial-Grade Deck

The thick 10-gauge steel deck is welded together for superior strengthh, durability, and impact resistance.

Belt Tension Technology

The self-adjusting belt keeps the tension constant to maximize belt life, minimize wear and maintain a consistent, quality cut.

Deck Lift System

The foot-operated deck lift system and simple pin selection provide easy adjustment between 15 cutting positions in 1/4" increments.

Deck Access Panel

Easy access to blade spindles and belts for quicker and more thorough cleaning.

Padded Seat and Armrests

Plush, adjustable high-back seat with padded armrests allows for longer use in greater comfort.
