Product Description

2022 ICON Electric Vehicles i40

Our models ALL include features other companies charge additional premiums for! ICON® Electric Vehicle models all come standard with; Toyota® AC Motor, Toyota® Controller, onboard charger (Delta Q), headlights, brake lights, turn signals, horn, DOT tires, seat belts, side view mirrors, and digital gauges.

There is nothing basic about our golf carts! They're loaded with class-leading features like 10" aluminum wheels, lights, turn signals, high-speed rear ends, functional front and rear bumpers, painted rooftops, horns, digital gauges, and more. For individuals or agencies that would like to transport a few people comfortably, the i40+2-48 model cars are the right fit. The i40+2-48 comes standard with a 48Volt Toyota® 4kW AC motor for greater torque and distance.
